PATENT ASSIGNMENT

WHEREAS, MESA DIGITAL, a New Mexico Limited Liability Company, having a place of business at 117 Bryn Mawr Drive SE, Albuquerque, New Mexico 87106 (hereinafter "Assignor") is the sole and exclusive owner of United States patent nos. 9,846,918, 9,743,460, and United States pending patent application serial nos. 14/799,758, 15,179,113, 15/362,995, 15/455,592, and 15/956,340, and all past and future patent applications that are entitled to claim priority, in whole or in part, based on any of said patents or the application; all past and future patent applications from which said patents or the application claim priority, directly or indirectly' and any patent issuing from such application and invention disclosed therein, and foreign application and counterpart with respect to any of the foregoing (herein, collectively, "the Patents"); and

Whereas, IP VENUE, LLC, a New Mexico Limited Liability Company, having its principal offices at 117 Bryn Mawr Drive SE, Albuquerque, New Mexico 87106 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in, to and under the Patents.

Now, Therefore,

For one dollar (\$1) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer, and set over to Assignee, its successors and assigns, its entire right, title and interest in and to the Patents, and any reissue or reissues of the patents granted and which may be granted, any certificates of reexamination already granted and which may be granted, continuation applications that may issue therefrom, both foreign and domestic, including all of its rights under any and all international conventions, treaties and/or agreements concerning patents to which the United States is a party, and Seller does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
