PATENT AND INVENTION ASSIGNMENT

January 16, 2019

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Jimmy Styks LLC, a California limited liability company having a place of business at 9200 Cody, Overland Park, Kansas 66214 ("Assignor") hereby conveys, assigns, and transfers its right, title, and interest in and to the patents and patent applications identified in Schedule A attached hereto ("Patent Properties") to Vista Outdoor Operations LLC, a Delaware limited liability company having a place of business at 1 Vista Way, Anoka, Minnesota 55303 ("Assignee"). This assignment includes rights of priority; its rights in and to the inventions specified in the Patent Properties and improvements thereto; its rights to file patent applications on such inventions and to obtain and own patents therefor; all income, royalties, and payments receivable in respect thereof; and its rights to sue for and collect on claims for injunctive or monetary relief by reason of past, present, or future infringement of any Patent Properties; all of the foregoing rights exercisable anywhere in the world as permitted by law. Assignor hereby authorizes the relevant officials of any governmental entities or agencies responsible for patent recordation to record and register this Patent and Invention Assignment, and Assignor further agrees to execute all documents that are both necessary and reasonably requested by Assignee to perfect its title in and to the Patent Properties.

IN WITNESS WHEREOF, Assignor has caused this Patent and Invention Assignment to be duly executed effective as of the date first above written.
