This Assignment is made the 1st day of September 2016,

Between **Fashion At Work (UK) Limited**, a private limited company incorporated under the Laws of Great – Britain and registered under number 1908793, of 3C Midland, Midland Way, Barlborough, Chesterfield S43 4UK, England (hereinafter referred to as the 'Assignor') of the first part;

And **Dignity Giving Suits (DGS) Limited**, a private limited company incorporated under the Laws of Great – Britain and registered under number 8424588, of 3C Midland, Midland Way, Barlborough, Chesterfield S43 4UK, England (hereinafter referred to as 'the Assignee') of the second part.

Whereas the Assignor has produced and/or or authored intellectual property subject-matter, including one or more inventions in the field of dignity garments, and is accordingly the owner of intellectual property rights; granted and pending patent rights for the one or more inventions; registered and unregistered design rights in prototypes, preparatory materials and embodiments of the one or more inventions; copyrights in design documents and preparatory materials, including electronic documents and files, in relation to the one or more inventions; trade marks rights under which embodiments of the inventions are marketed.

Whereas the Assignor is the owner of the following registered intellectual property rights: British patent GB 2503963; British registered design 4027692; European patent application EP 13791856.1; United States patent application US 14/649,079; Australian patent application AU 2013353803; Canadian patent application CA 2,892,771; United Arab Emirates patent application 725/2015.

The Assignor of the first part, and the Assignee of the second part, have agreed that:

- all the rights in the inventions, including rights to file patent applications in respect of the inventions in any jurisdiction, rights to claim priority from any patent application in respect of the inventions in any jurisdiction, rights to obtain grant of Letters Patent in respect of the inventions in any jurisdiction;
- all rights in or under the registered and unregistered designs, including rights to file applications for registered designs in respect of the inventions in any jurisdiction, rights to claim priority from any application for one or more registered designs in respect of the inventions in any jurisdiction, rights to obtain registration of designs in respect of the inventions in any jurisdiction;
- all rights in or under the copyrights in the design documents and preparatory materials, including electronic documents and files, in relation to the inventions;
- all rights in or under the marks under which embodiments of the inventions are marketed;
- all registered intellectual property rights as detailed in the Schedule;

should be assigned to the Assignee.

Now this Deed Witnesseth :-

In consideration of £10 (Ten Pounds Sterling) paid by the Assignee to the Assignor (the receipt whereof the Assignors hereby acknowledges), the Assignor hereby assigns all its rights, titles and interests in or under the inventions, in or under the designs, in or under the copyrights and in or under the marks to the Assignee, including the right to file applications for patents, registered designs, registered trademarks or other property rights for the inventions and their embodiments in all countries of the world where such protection may be applied for by a party other than the author, designer or inventor, and to

receive in its name the grant of Letters Patent, registration of designs, registration of trade marks or other property rights on said applications to hold the same for its sole use and benefit, including the right to claim priority in accordance with the Paris Convention.

At the request and cost of the Assignee, the Assignor will assist the filing of applications for patents, registered designs, registered trademarks or other property rights in respect of the inventions and designs, in countries where only the authors may apply, by way of procuring relevant signatures, consent or other intervention as required and, at the request of the Assignee, will assign the applications and the registered designs resulting from him to the Assignee for its sole use and benefit. The foregoing shall be without charge to the Assignee but at its expense.

The Assignor agrees to sign all forms and other documents, take all rightful oaths and do all acts required to be done by the Assignee for the procurement of patents, registered designs, registered trademarks or other form of property rights for the inventions, designs and marks, and for further vesting or confirming the right and title thereof in the Assignee. The foregoing shall be without charge to the Assignee but at its expense.

At the request and cost of the Assignee, the Assignor will assist the defence of any proceedings by way of intervention on such patents, designs, trademarks and/or copyrights, and will execute all such documents and do all such acts as may be necessary or proper to register and/or maintain the rights, registered or otherwise.

In the event that any proceedings are at any time instituted by way of claim, petition or counterclaim impugning the validity of the patents, designs, trademarks and/or copyrights, the Assignors will render all reasonable assistance to the Assignee in relation thereto.

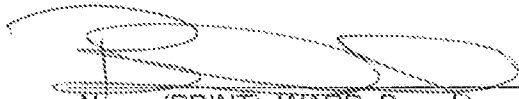

In Witness whereof the parties hereto have caused this Assignment to be duly executed the day, month and year first above written.
