## ASSIGNMENT

WHEREAS We, Dimitrios Dimitriadis, residing at 17 Meadow Rd., Rutherford, NJ 07070, and Horst Jue Schroeter, residing at 58 Commonwealth Ave., New Providence, NJ 07974, hereinafter referred to as Assignor, am Iis inventor on a patent application entitled METHOD AND APPARATUS FOR PROCESSING COMMANDS DIRECT A MEDIA CENTER; having AT&T Docket No. 2011-2145, the patent application to be filed in the United States Patent Office; and

WHEREAS, AT&T Intellectual Property I, LP, a PARTNERSHIP organized and existing under the laws Nevada and having an address at 675 W. Peachtree Street, Suite 4000, Atlanta, GA 30375, (hereinafter referred to as Assignee), desires to acquire the entire right, title and interest for the United States of America and elsewhere through world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereto;

NOW THEREFORE, be it known that for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and my entire right, title, and interest in and to this invention and this non-provisional application, and all divisions, substitutions and continuations thereof; and all Letters Patent of the United States which may be granted thereon, and all reexaminations and reissues thereof; and all rights to claim priority on the basis of the above provisional application (if any), as well as rights to claim priority on the basis of this application; and all applications for Letters Patent which may hereafter be filed in this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country including certificates of inventions, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; and all extensions, renewals, prolongations, and reissues thereof; to have and to hold sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for patents;

AND, I HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States an official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I not executed and will not execute any assignment, sale, license, agreement, or encumbrance in conflict with this Assignment;

AND, I HEREBY further covenant and agree, for the Assignor and the Assignor's legal representatives, that I without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting invention; assist the Assignee in the prosecution of the patent application identified above; assist in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; testify in any interference, litigation, or other legal proceeding; sign all lawful papers when called upon to do so; execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns; execute all divisional, continuation, and reissue applications; make all rightful oaths and affidavits; and do everything possible to aid Assignee, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee; and hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do the same without compensation, but at the expense of Assignee or its representatives.

AND, I HEREBY consent that a copy of this assignment shall be deemed a full legal and formal equivalent of a document which may be required in any country in proof of the right of AT&T Intellectual Property I, LP to apply for or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

This Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument. A facsimile copy of this Assignment, or any form of an electronic copy of this Assignment, including the signature pages hereto, shall be deemed an original.
