**Note! Information of the register court**

Recently on many occasions shortly after publication of an  
entry, private "economic publishers" with official-looking  
invoices have attempted to obtain costs for an entry in a  
private register or a file. This is not the invoice for the  
entry in the public commercial register. It is therefore  
urgently instructed that settlements of the Osnabrück Register  
Court for register entries are created exclusively by  
Osnabrück Register Court and payments should be made to the  
Landeskasse Niedersachsen.
