## PATENT APPLICATIONS SUBJECT TO THE ASSIGNMENT (the "Applications"):

Patent Application No.: **15/429,005**  
Filing Date: **February 9, 2017**  
Title: **MALWARE DETECTION AND PREVENTION SYSTEM**  
Attorney Docket No. **0593-US-U1**

Patent Application No.: **62/374,521**  
Filing Date: **August 12, 2016**  
Title: **MALWARE DETECTION AND PREVENTION SYSTEM**  
Attorney Docket No. **0593-US-P1**

WHEREAS, the Assignor identified above has invented certain new and useful inventions for which the patent applications for Letters Patent identified above has been prepared for filing with the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, Assignor has agreed to assign and transfer and does hereby assign and transfer unto the Assignee identified above, its successors and assigns, the entire right, title, and interest in and to said invention and the Application, including any provisional or non-provisional application to which said Application claims priority, including but not limited to U.S. patent application no. 62/374,521, and in and to any United States of America and foreign applications that claim priority to the Application, any divisional or continuation (in whole or in part) of said Application, and in and to any and all improvements in said invention made by Assignor (provided any such improvement is made during, or within one year after the termination, of the employment by said Company of Assignor), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto including the right to apply for Letters Patent, Utility Models, or

~~Inventors' Certificates in the United States of America and all foreign countries in its own name~~  
and any priority rights for such United States of America and foreign applications to which such  
applications or the Assignor are entitled under international conventions, treaties, or otherwise  
which have been or may be granted thereon or on any divisional, continuation (in whole or in  
part), renewal, reexamination, reissue, or other or further application based in whole or in part  
upon said invention or improvements thereon, and any and all rights to collect past damages for  
infringement of any and all Letters Patent of the United States and countries and regions foreign  
thereto which may be published, to be held and enjoyed as fully and exclusively as they would  
have been by me had this assignment and transfer not been made;

Assignor further agrees for Assignor and for Assignor's heirs, executors, and  
administrators, to execute and deliver without further consideration any further applications,  
assignments, and documents, and to perform such other acts as Assignor lawfully may, that may  
be deemed necessary by said Assignee, its successors, assigns, and nominees, fully to secure its  
right, title, and interest as aforesaid to obtain to maintain Letters Patent, Utility Models, or  
Inventors' Certificates in any and all countries;

~~Assignor hereby authorizes Assignee, its successors and assigns, or anyone it may~~  
properly designate, to insert in this instrument the title, application number and filing date of the  
Application once known;

Assignor hereby acknowledges that Assignee's internal and external counsel have  
represented only Assignee and will continue to represent only Assignee with respect to this  
invention;

Assignor hereby acknowledges an obligation of assignment and transfer of this invention  
and Application to Assignee at the time the invention was made; and

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all  
Letters Patent which may be granted upon any of said applications, to said Assignee, as the  
assignee of the entire right, title, and interest therein.

Assignor and Assignee hereby agree that this assignment is governed by the laws of the  
state of Colorado of the United States of America and subject to the non-exclusive jurisdiction of  
the courts of the state of Colorado of the United States of America.
