**ASSIGNMENT**

By the terms of my employment agreement with General Mills, Inc., I assign to General Mills, Inc., a corporation of Delaware ("Assignee"), my entire right, title and interest in and to all inventions identified in:

- General Mills' invention record no(s) 8631 and any related documents, including:
- \_\_\_\_\_ [country] Application Serial No.: \_\_\_\_\_ ("Application")  
filed on: \_\_\_\_\_.
- any concurrently or subsequently filed application that claims or is entitled to claim priority to or the benefit of the Application, including without limitation any, national, regional, Patent Cooperation Treaty, continuation, continuation-in-part, or divisional application ("Related Applications");
- any inventions described or claimed in the Application or in the Related Applications to the extent not already assigned to Assignee; and
- any patents granted from the Application or Related Applications throughout the world.

I authorize Assignee, its successors and assigns or anyone it may properly designate, to insert in this Assignment the Serial Number and filing date of any patent application associated with the invention record.

I further agree, at the request of Assignee and without further consideration, to take all reasonable measures necessary for Assignee to file, prosecute, maintain and enforce the Application, Related Applications and Patents, including promptly executing and returning any written instrument requested by Assignee.
