do hereby assign, sell and set over to:

Rebo Lighting & Electronics, LLC, located at, 3990 Research Park Drive, Ann Arbor, MI 48108
[Full Legal Name of Assignee] [Assignee's Address]

(hereinafter referred to as Assignee), its successors, assigns or other legal representatives, the entire right, title and interest, domestic and foreign, in and to the inventions and discoveries set forth in the patent application entitled:

LIGHT ASSEMBLY AND LIGHT GUIDE
[Patent Application Title]

which can be identified as:

United States Provisional Serial No.: 62/626,323, filed February 5, 2018

United States Non-Provisional Serial No.: 16/264,850, filed February 1, 2019

including the right of said Assignee, its successors, assigns or other legal representatives to make applications, including original, continuation, and divisional applications, and to receive Letters Patent for said inventions and discoveries in the United States and in any and all foreign countries in its own name or names, or in our name or names, at its election; and we hereby assign, sell and set over to said Assignee, its successors, assigns or other legal representatives, all rights of priority in and to said inventions and discoveries.

We hereby agree for ourselves, our heirs, successors, assigns or other legal representatives to execute any and all papers, including applications for Letters Patent of any and all kinds and in any and all countries and to perform any and all acts which said Assignee, its successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein assigned, sold and set over. And we hereby represent and warrant that we have not granted any rights inconsistent with the rights granted herein.

If the US non-provisional patent application has been filed, we authorize any practitioner associated with Customer No. 23399 to insert the US application number and filing date when known.
