PATENT ASSIGNMENT

Barkly Protects, Inc., a Delaware corporation, formerly having an address of 53 State Street, Boston, MA 02109 and with a present address care of KallanderGroup, Inc., 282 Central Street, Unit 9, Hudson, MA 01749 (the "Assignor") for good and valuable consideration the receipt of which is hereby acknowledged, does hereby sell, convey, transfer, and assign unto Alert Logic, Inc., a Delaware corporation, having an address at 1776 Yorktown Street, Suite 150, Houston, TX (the "Assignee"), its successors and assigns, the Assignor's entire right, title, and interest, for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property, in certain inventions or improvements in the inventions, patent applications and patents listed on the attached Schedule A and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said inventions, or any parts thereof, or on said applications, or any divisional, continuing, reissue or other applications based in whole or in part thereon, and in any and all causes of action for past infringement thereof (the "Assigned Property").

This Assignment confirms the transfer to the Assignee of all of the Assignor's right, title, and interest in the Assigned Property pursuant to and in accordance with that certain Assignment and Bill of Sale Agreement of even date herewith between the Assignor and the Assignee, free and clear of all Liens, Claims, and Encumbrances as each of those terms are defined in that certain Asset Purchase Agreement, dated January 21, 2019, by and between Assignor and Assignee, which provides for the sale of certain assets by Assignor to Assignee and the transfer of certain liabilities from Assignor to Assignee.

The Assignor agrees that the Assignor (or its successors, legal representatives, or assigns) will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done to effectuate this Assignment in the United States of America or in any foreign country, without charge to the Assignee, its successors, legal representatives, and assigns, whenever counsel of the Assignee, or counsel of its successor, legal representatives, or assigns, shall advise.

The Assignor further agrees, for it and its assigns, that the Assignee and its successors, legal representatives, and assigns may hereafter do all acts necessary or proper to secure and perfect the sale, assignment, and transfer described herein, including, without limitation, inserting on this Assignment any further identification which may be necessary or desirable to comply with the rules of the United States Patent and Trademark Office, or with the rules of any official of any country whose duty it is to grant patents, for the recordation of this document.

The Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or organization whose duty it is to grant patents, to consider the Assignee and its successors and assigns the owner of such patents and patent applications and to issue to the Assignee any Letters Patent as shall be granted upon such patent applications.
