ASSIGNMENT

WHEREAS, I, Kevin John Mineart, whose residence address is 3461 169th Street, Wever, Iowa 52658 (the "Assignor") having invented a certain new and useful invention for a "STACKABLE ANTENNA ENCLOSURE" for which I am about to make an application for letters patent of the United States, said application being identified as docket no. 1014/309 in the law offices of Dorr, Carson & Birney, P.C., 5299 DTC Boulevard, Suite 260, Greenwood Village, Colorado 80111, and herewith executed concurrently on the respective date listed herein below;

WHEREAS, Winegard Company, an Iowa corporation, whose address is 3000 Kirkwood Street, Burlington, Iowa 52601 (the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and application for letters patent in the United States and in any and all foreign countries.

THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) paid by the Assignee, and other good and valuable consideration, receipt and adequacy whereof are hereby acknowledged, the Assignor hereby sells, transfers and sets over to the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the aforesaid invention and the aforesaid application, for the territory of the United States of America and for all foreign countries, and to all provisional, non-provisional, division, continuation, continuations-in-part, substitution, reissue, re-examination and any other extension application thereof and all letters patent that may issue thereon. The Assignor further agrees to cooperate with the Assignee in obtaining and sustaining any or all such patent, but at the expense of the Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the letters patent solely in accordance with this Assignment to the Assignee, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

Further, the Assignor agrees that he will communicate to the Assignee, or its representatives any facts known to him respecting the invention, and testify in any

legal proceedings, sign all lawful papers, execute all provisional, non-provisional, division, continuation, continuation-in-part, substitution, reissue, re-examinations and extension applications, execute all necessary assignment papers to cause any and all of the letters patent to be issued to the Assignee, make all rightful oaths and generally do everything necessary or desirable to aid the Assignee, its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.

Date: 13 Feb 2019
