ASSIGNMENT

WHEREAS FITNESS DESIGN GROUP, INC. ("FDG") a California corporation under the terms and conditions of a MEMORANDUM OF UNDERSTANDING & INTELLECTUAL PROPERTY PROTECTION AGREEMENT ("MOU") is the owner of the invention identified described and claimed in Application Serial No. 15/167,951, for which Application for Letters Patent was filed with the United States Patent and Trademark Office on May 27, 2016;

WHEREAS GYM RAX INTERNATIONAL, INC., (hereinafter "GRI") a corporation organized and existing under the laws of the State of Nevada and having its principal place of business in the city of Santa Monica, state of California is desirous of acquiring all of the right title and interest in and to the invention and the Application for Letters Patent therefor including all rights in all countries foreign to the United States of America including rights to claim priority.

THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, said FDG does hereby assign and transfer unto the said GRI., all of his right, title and interest for the United States of America and its territorial possessions and in all countries foreign to the United States of America, including all rights to claim priority in and to any and all improvements which are disclosed in the invention entitled: **MODULAR STRUCTURES** and which is found in U.S. patent application Serial Number 15,167,951, filed on May 27, 2016, and any legal equivalent thereof in a country foreign to the United States of America including the right to claim priority and in and to all Letters Patent to be obtained for said invention by the above application or any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof.

FDG covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

FDG further covenants that FDG will, upon GRI's request, promptly provide GRI with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to FDG and will testify as to the same in any interference, litigation

or proceeding related thereto, and will promptly execute and deliver to **GRI**. or its legal representatives any and all papers, instruments or affidavits required to apply for, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes hereof.

A change of address to which correspondence is to be sent regarding patent maintenance fees is being sent separately.
