**PATENT ASSIGNMENT**

For good and valuable consideration, receipt of which is hereby acknowledged, I, **Robert Kushner** of 5180 Meadows Del Mar, San Diego, California 92130, hereby sell and assign to **Urban Trend, LLC ("Assignee")**, a corporation organized and existing under the laws of the State of California, having its principal place of business at 1101 Dove Street, Suite 175, Newport Beach, California, 92660 its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention titled **MEASURING CUP** invented by me, the initial utility patent application for which bears the same title and has been assigned application number **15/166,667** and any and all applications for United States patent therefor, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents and Utility Model Registrations that may be granted thereon in foreign countries, and to file Patent Cooperation Treaty ("PCT") or equivalent international patent applications, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent or Utility Model Registration to the said Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned. I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when said Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer. I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said Assignee, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of said Assignee, its successors, assigns, nominees, or other legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 15 day of

Feb., 2019.
