ASSIGNMENT

WHEREAS, Assignors include Point Innovation Inc., a corporation located at 1826 Lakeway Dr., Lewisville TX 75057, and the following individuals, Brad GRUNWALD residing at 1306 Waterford Place, Garland, TX 75044, Steven MOLLERBERG residing at 5400 Preston Oaks Rd #3119, Dallas TX 75254, (collectively "Assignors") who are inventors of EYEGLOSS FRAME LENS LOCK, described in an application for Letters Patent of the United States of America that, while not identified here by filing date and serial number, is filed after the execution of this Assignment; and

WHEREAS, Amanda CARRIER, an individual residing at 9619 Rocky Branch Dr., Dallas TX 75243 (hereinafter the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid Invention throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

IN CONSIDERATION OF one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, transfer and set over to Assignee, all right, title and interest in and to the said Invention throughout the world, and any and all other applications for said Invention, including divisional, continuation, continuation-in-part, provisional, non-provisional, regular, renewal, reissue applications, extensions, national stage applications, and the like and any and all Letters Patent of the United States and foreign countries which may be granted therefor, and all international rights of priority associated with said Invention, applications, patents and like protection, the same to be held and enjoyed by Assignee for their own use and benefit, and for the use and benefit of their successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed if this assignment and sale had not been made.

And Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said Invention or resulting from said application and from any and all divisions, continuations, and reissues thereof, to Assignee, as assignee of our entire interest, and hereby covenant that Assignors have the full right to convey the entire interest herein assigned, and that Assignors have not executed and will not execute any agreement in conflict herewith.

And Assignors further hereby covenant and agree that Assignors will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said Invention and to such Letters Patent as may be granted therefor, to Assignee, their successors, assigns, or other legal representatives and that if Assignee, their successors, assigns or other legal representatives shall desire to file any divisional or continuation applications or to secure a reissue of such Letters Patent, or to file a disclaimer relating thereto, Assignors will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of said Assignee, their successors, or other legal representatives.

And Assignors do further covenant and agree that Assignors will, at any time upon request, communicate to Assignee, their successors, assigns or other legal representatives, such facts relating to said invention and Letters Patent or the file history thereof as may be known to us, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of said Assignee, their successors, or other legal representatives.
