IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE

Assignment and Agreement

For value received, I hereby sell, assign and transfer to **Arevo, Inc.** (hereinafter "the Assignee"), having an office at 1450 McCarthy Blvd., Milpitas, California, 95035 United States, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions disclosed and claimed in:

- 1) United States Patent Application Serial No. _____, entitled "Three Dimensional Infill in Additive Manufacturing" and having attorney docket 3019-181US1,

and all the rights and privileges in said applications and under any and all Letters Patent that may be granted in the United States for said inventions. I also concurrently hereby sell, assign and transfer to the Assignee the entire right, title and interest in and to any and all continuations, divisionals, continuations-in-part, and substitutes for aforesaid applications.

I also concurrently hereby sell, assign and transfer to the Assignee the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

If the application serial number of this application is not known at the time of the execution of this Assignment and Agreement, I authorize the duly-appointed attorneys in this application plus Jason Paul DeMont, Reg. No. 35,793, Kenneth Ottesen, Reg. No. 54,353, Vincent McGeary, Reg. No. 42,862, Peter H. Priest, Reg. No. 30,210, and Steven J. Hultquist, Reg. No. 28,021 to insert the application serial number in the above paragraph when known.

I authorize the Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document, which may be required in any country in proof of the right of the Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I hereby acknowledge that in the event of a conflict of interest between the Assignee and me, the law firms of McGeary Cukor LLC and Hultquist, PLLC are the attorneys for the Assignee and are not my attorneys.

I request that any and all patents for said inventions be issued to the Assignee in the

United States and in all countries foreign to the United States, or to such nominees as the Assignee may designate.

I agree that, when requested, I shall, without charge to the Assignee but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
