PATENT ASSIGNMENT

This Agreement is by and between Textron Marine and Land Systems, a division of Textron Inc. ("TMLS"), having a place of business at 1010 Gause Boulevard, Slidell, Louisiana 70458, a Delaware corporation, and Granite Tactical Vehicles, Inc. ("Granite"), having a place of business at 915 Newsome Street, Mount Airy, North Carolina 27030 (each a "Party" and collectively the "Parties").

WHEREAS Granite was the owner of certain patents and patent applications, the details of which are set forth in Table 1, below (the "Transferred Properties");

WHEREAS Granite has assigned the Transferred Properties to TMLS for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged; and

WHEREAS, to facilitate recordation of this assignment at various Patent Offices, Granite and TMLS have agreed to execute this Agreement.

Granite hereby confirms that it has assigned to TMLS all of its right, title, and interest in and to (1) the Transferred Properties; (2) all other United States patent applications (including provisional, divisional, renewal, substitute, continuation, continuation-in-part, reexamination, and reissue applications) based in whole or in part on the Transferred Properties; (3) any foreign patent applications (including international and regional applications) based in whole or in part on the Transferred Properties; and (4) any and all Letters Patent, including extensions thereof, which have been or may be granted on any of the foregoing.
