ASSIGNMENT

WHEREAS, **DOW GLOBAL TECHNOLOGIES LLC**, a corporation of Michigan, having a place of business at **2040 Dow Center, Midland, MI 48674** (hereinafter called "Assignor"), is the owner of the United States issued patents and patent applications listed on Schedule A, attached hereto by assignment (hereinafter "said United States patents and applications"); and

WHEREAS, **SK SARAN AMERICAS LLC**, a corporation of Michigan, having a place of business at **564 Building SARAN, 627 Washington Street, Midland, MI 48667**, (hereinafter called "Assignee"), is desirous of acquiring the entire right, title and interest in and to said United States issued patents and patent applications and the inventions covered thereby transferred

NOW, THEREFORE, for good and valuable consideration paid by said Assignee, the receipt of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and set over unto said Assignee the entire right, title and interest in and to said United States issued patents and patent applications and the inventions and improvements therein disclosed for the United States and any Letters Patent which may issue therefor in the United States and any and all applications for patent and patents therefrom in any and all countries, including all divisions, reissues, continuations, reexaminations, renewals, and/or extensions thereof that said Assignor owns, said Assignee to have and to hold the interests herein assigned to the full end of the term of said Letters Patent and any and all divisions, reissues, continuations, reexaminations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made; together with all the claims for damages by reason of past infringement of any such patent with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

AND, Assignor hereby authorizes and requests the United States Commissioner for Patents to record this assignment to Assignee of its entire interest, and hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement inconsistent therewith.

IN TESTIMONY WHEREOF, Assignor has caused this assignment to be executed effective the 11th day of December, 2018.
