**ASSIGNMENT**

THIS DEED OF ASSIGNMENT is made on 14, day of December, 2018.

**BETWEEN**

- (1) S&B INDUSTRIAL MINERALS SA (NOW KNOWN AS IMERYS INDUSTRIAL MINERALS GREECE SA) whose registered office is at Andrea Metaxa str. 15, Kifisia 145 64, Greece (the "Assignor"); and
- (2) IMERTECH SAS whose registered office is at 43 Quai de Grenelle, Paris, France 75015 (the "Assignee")

**BACKGROUND:**

- (A) The Assignor has agreed to assign and hereby assigns the Intellectual Property Rights described in Schedule 1 to the Assignee on the terms set out below.

**AGREEMENT:**

The parties AGREE as follows:

**1. Definitions**

In this Assignment unless the context otherwise requires:

"Intellectual Property Rights" means all of Assignor's patents, patent applications, utility models, registered designs, and any and all copyright, database rights, moral rights, design right, and all similar property rights subsisting in or arising out such patents, patent applications, utility models and registered designs, including those identified in in Schedule 1;

"Know-how" means know-how, research data, trial results, designs, knowledge, trade secrets and all other information, documents and material recorded in whatever form or medium relating to the Intellectual Property Rights or the Assignee's business and including any information disclosed in a patent application;

**2. Assignment**

Pursuant to and in consideration of the Transfer of Legacy Intellectual Property Rights Agreement previously signed between the Assignee and the Assignor, and the sum of £1, now paid by the Assignee to the Assignor (receipt of which the Assignor hereby acknowledges) the Assignor assigns to the Assignee with full title guarantee free from all and any charges or other third party rights all his right, title and interest in the Intellectual Property Rights and Know How, together with all rights of action, remedies, powers and benefits relating to any of the Intellectual Property Rights and Know How, including the right to apply for a patent application at the European Patent Office and in any other country or patent office of the world, including the right to claim priority from any patent application filed for the Invention, including all provisionals, non-provisionals, divisionals, continuations, continuations in part, reexaminations, reissues and all other applications for any patent that shall be filed, issued or granted in any country on such inventions, including but not limited to utility models, designs, design patents, as

well as envelope soleau and like rights of exclusion; and the right to sue for damages and other relief for infringement in any of the Intellectual Property rights and Know How, whether taking place before or after the date of this Assignment.

**3. Confidentiality**

The Assignor shall keep and procure to be kept secret and confidential the Know-how and other confidential information acquired from or through the Assignee and will not use nor disclose the same save with the prior written consent of the Assignee.

**4. Further Assurance**

The Assignor undertakes that, at the request and expense of the Assignee, it will do all acts and things (including, without limitation, making declarations and oaths) and execute all documents that may be reasonably necessary under the law of any country for completing the transfer to the Assignee of the full right, title and interest to any of the rights assigned by clause 2 or to record the assignment at any country's national patent office or other official body as may be required.

At the request of the Assignee, the Assignor shall (at the Assignee's expense) provide all assistance to the Assignee which may be necessary in connection with bringing or defending any proceedings relating to any of the rights assigned by clause 2.

**5. Applicable Law and Jurisdiction**

This Assignment and any dispute or claim arising out of or in connection with it shall be governed by and construed in accordance with the laws of France and all disputes and claims arising out of or relating to this Assignment shall be subject to the exclusive jurisdiction of the Commercial Court of Paris, to which the parties irrevocably submit.

IN WITNESS of the above the Assignor and Assignee have signed executed this Assignment on the date written at the head of this Assignment.
