ASSIGNMENT

WHEREAS KLAM CONSULTING LTD., whose full post office address is 343 Parkmere Green, Chestermere, Alberta, Canada, T1X 1V5 (hereinafter, the "Assignor"), is the owner of the invention entitled TOOL ASSEMBLY AND PROCESS FOR DRILLING BRANCHED OR MULTILATERAL WELLS WITH WHIPSTOCK, hereinafter referred to as the "Application";

AND WHEREAS, MODERN WELLBORE SOLUTIONS LTD., whose full post office address is 343 Parkmere Green, Chestermere, Alberta, Canada, T1X 1V5 (hereinafter, the "Assignee") is desirous of confirming acquisition of the entire right, title, and interest in and to the Application inclusive of any continuations or divisions thereof and all priority rights derived therefrom, for any and all countries in the world, and in and to any and all corresponding patent applications and any continuations or divisions thereof filed in any and all countries in the world, and in and to any and all patents issuing in any and all countries of the world, to be granted for the invention based on the Application or on corresponding patent applications;

NOW, THEREFORE, in consideration of the sum of ten Canadian dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby confirms having sold, assigned and transferred to the Assignee, its successors and assigns, its entire right, title, and interest in and to the invention, and in and to the Application inclusive of any continuations or divisions thereof and all priority rights derived therefrom, and in and to any and all corresponding patent applications and any continuations or divisions thereof filed in any and all countries in the world, and in and to any and all patents which may be granted for the invention in any and all countries in the world including but not limited to Canada and the United States of America, and in and to any and all reissues, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term or terms for which the patent, or reissues, substitutions or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had no sale, assignment or transfer been made;

AND the Assignor hereby authorizes and requests any official whose duty it is to issue patents to issue each and every patent to be granted for the invention in any and all countries, and each and every reissue, substitution or prolongation of such patent, to the Assignee, its successors and assigns;

AND Assignor undertakes to sign such further documents to effect the aforesaid sale, transfer and assignment to Assignee as may be required from time to time, without reimbursement, but at the expense of Assignor;

AND the Assignor hereby authorizes the firm of SMART & BIGGAR whose full post office address is Box 11115, Royal Centre, 2300 - 1055 West Georgia Street, Vancouver, British Columbia, V6E 3P3, CANADA to correct clerical errors in the Assignment or to insert any further identification or other information necessary or desirable to make the Assignment suitable for recordal at the Canadian Intellectual Property Office and at the United States Patent and Trademark Office;
