## ASSIGNMENT CONFIRMATION

Whereas, I, Dahv A.V. Kliner have invented a certain invention as described in the following patent application:

U.S. Provisional Patent Application No. 62/336,710, filed on May 15, 2016, entitled "High Numerical Aperture Light Stripper,"

which application is referred to as "the patent application."

Whereas, nLIGHT, Inc. ("nLIGHT"), a Corporation organized under the laws of the State of Delaware, having a place of business at 5408 NE 88th Street, Bldg. E, Vancouver, Washington, 98665, desires to acquire an interest therein:

Now, therefore, in view of the assignment of our inventions to nLIGHT pursuant to my respective Confidential Information, Invention Assignment and Non-Competition Agreements, I, Dahv A.V. Kliner, hereby confirm my assignment and transfer to nLIGHT, the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights and the right to file and prosecute International Applications under the Patent Cooperation Treaty; said invention, patent application, and letters patent in this or any foreign country, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by nLIGHT, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by me had this assignment to nLIGHT not been made, and covenant that I have full right so to do, and agree that I will communicate to nLIGHT, or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid nLIGHT, its successors, and assigns, to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I hereby grant the legal representatives of nLIGHT the power to insert on this Assignment Confirmation any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at the place and date opposite my signature below.
