## ASSIGNMENT

WHEREAS, we, Patrick Kohls, of Las Vegas, Nevada, and Jonathan Kohls, of Salem, Oregon, have invented certain inventions, as described at least in part in the following patent applications:

U.S. Provisional Patent Application No. 62/813,572, filed on March 4, 2019,

U.S. Design Patent Application No. 29/682,333, filed on March 4, 2019,

U.S. Design Patent Application No. 29/682,336, filed on March 4, 2019, and

U.S. Design Patent Application No. 29/682,338, filed on March 4, 2019,

which applications are collectively referred to as "the patent applications."

WHEREAS, Polyform, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 3125 22nd St SE, Salem, OR 97302, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Patrick Kohls and Jonathan Kohls hereby sell, assign, and transfer to Polyform, Inc., the full and exclusive right, title, and interest in and to said inventions and the patent applications, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said inventions and the patent applications, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Polyform, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Polyform, Inc., or its successors and assigns, any facts known to us respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Polyform, Inc., its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that, at the time the inventions were made, we were under an obligation to

assign the inventions to Polyform, Inc.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
