ASSIGNMENT

File No.: 62638US01

Serial No.: 29/631,565

Inventors: Damien Vizcarra
Elizabeth Kneen Winter

Filing Date: 2017-12-29

In consideration of one Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to Continuum LLC d/b/a EPAM Continuum, a Massachusetts corporation, having a place of business at 21 Drydock Avenue 410 W, Boston, MA 02210 ("Assignee"), its successors and assigns, the entire right, title and interest in the invention and/or improvements of the undersigned disclosed in an application for Letters Patent of the United States, entitled: BOTTLE, and identified as File No. 62638US01, in the offices of McANDREWS, HELD & MALLOY, LTD., and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention and/or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any continuation, continuation-in-part, divisional, re-examination, reissue or extension of such applications or patents, and further assigns to said assignee the priority right provided by the International Convention.

Each of the undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

Each of the undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the filing date and serial number of said application when officially known.

Each of the undersigned warrants himself/herself to be the owner of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said consideration, the undersigned hereby agrees, upon the request and at the expense of said Assignee, its successors and assigns, to execute any and all continuation, continuation-in-part, divisional, re-examination, re-issue, extension and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue, re-examination or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said consideration the undersigned authorizes said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and further agree, upon the request of said Assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said Assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patent, both United States and foreign, and to vest all rights hereby conveyed in the Assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said
