ASSIGNMENT

Whereas, I,

Jason Shafer, residing in Barton, VT;

have invented a certain new and useful

STORM OUTAGE MANAGEMENT SYSTEM

and have executed therefor United States Patent Application Serial No. 16/213,149 filed on December 7, 2018

And whereas, Northview Weather LLC, a Vermont limited liability corporation, having a place of business at 369 Berard Lane, Barton, VT 05822 (hereinafter "Assignee"), desires to acquire the entire right, title and interest in the said application and invention, and to any United States and foreign patents to be obtained therefor;

Now therefore, for good and valuable consideration, receipt whereof is hereby acknowledged, I, the above named, hereby sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title and interest in the said application and inventions therein disclosed for the United States and foreign countries, and all rights of priority resulting from the filing of said United States application, and I request the Commissioner for Patents to issue any Letters Patent granted upon the inventions set forth in said application to Assignee, its successors and assigns; and I hereby agree that Assignee may apply for foreign Letters Patent on said inventions and I will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by Assignee.

I, the above-named, hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.
