Worldwide Assignment

WHEREAS, I, **Duane Sailors**, have made one or more inventions (the "Inventions"), for which the following applications for design patents of the United States (the "Applications"), have been filed:

Design Patent Application entitled, "Thermal Separator", filed on March 12, 2019, and assigned Serial No. 29/683,371, and further identified as Attorney Docket No. 10112-1; and

Design Patent Application entitled, "Thermal Separator", filed on March 12, 2019, and assigned Serial No. 29/683,372, and further identified as Attorney Docket No. 10112-3.

WHEREAS, **Building Products Development LLC**, a corporation or other business entity duly registered in the State of Indiana, whose postal address is P.O. Box 298, Logansport, IN 46947, or its affiliates ("ASSIGNEE"), desires to acquire the entire right, title, and interest in and to the Inventions, the Applications, and any patents to be granted for the inventions in the United States and in all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred, and conveyed, and do hereby sell, assign, transfer, and convey unto ASSIGNEE, its successors, legal representatives, and assigns: (a) the entire right, title, and interest in and to the Inventions, the Applications, all applications claiming benefit of the Applications, including, but not limited to, all provisionals, divisions and continuations of the Applications, and all patents that may be granted thereon in and throughout the United States and in all foreign countries, including without limitation utility models, design patents, certificates of invention and equivalent rights worldwide, and all reissues and reexaminations thereof; (b) all rights arising under or pursuant to any and all international agreements, treaties or laws, including the right to file applications for patents, design patents, utility models, certificates of invention or other governmental grants and equivalent rights worldwide, and to claim the same priority rights, under the patent laws of the United States, the applicable laws of the country in which any such application is filed, the International Convention for the Protection of Industrial Property and any other international union, convention, agreement and treaty; (c) all rights in and to causes of action and enforcement rights for the Inventions and any resulting patents, including all rights to pursue damages, injunctive relief and other remedies for past, present and future infringement of the Inventions and resulting patents, and to hold for ASSIGNEE'S sole use and benefit all recoveries, rights, and benefits arising from all such suits;

AND I authorize and request the Director of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty is to issue patents or other evidence or forms of industrial property to issue the same for the Inventions to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND I covenant and agree that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND I further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and assigns, and without further consideration, I (or my executors or administrators) will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and assigns to obtain and enforce patent protection for the Inventions in the United States and in all foreign countries, including, but not limited to, communicate with ASSIGNEE, its successors, legal representatives, and assigns any facts known to us regarding the Inventions, testify in any legal proceeding, sign all lawful papers, make all rightful oaths, and execute and deliver all papers that may be necessary or desirable to record and perfect the interest and title to the Inventions in ASSIGNEE, its successors, legal representatives, and assigns, it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and assigns;

AND I further hereby authorize ASSIGNEE, or its attorneys or agents, to insert the correct Application Numbers and Filing Dates into this Assignment, if none is indicated on the date of my execution of this agreement.

IN WITNESS WHEREOF, I have executed this Assignment on the date indicated below.
