Assignee's principal place of business:	<i>Liebermannstrasse F01, Brunn am Gebirge, Austria 2345</i>

4. Effective Date. This Quitclaim Assignment shall be effective on the date on which this Quitclaim Assignment is signed ("Effective Date").

5. Background: Initial Assignment Document(s). Assignor(s) assigned, in Initial Assignment Document(s), their entire right, title, and interest (if any) in and to the inventions of the Application, the Application itself, and any Letters Patent to be obtained therefor and thereon worldwide to Fluke Corporation of Everett, Washington, USA.

Initial Assignment Document(s) were recorded with the United States Patent and Trademark Office at:

Reel/Frame of Assignment Recordation(s) in US Patent and Trademark Office:	043851/0218
--	-------------

The present quitclaim assignment is being executed to transfer any rights of Assignor(s) that did not transfer to Fluke Corporation in view of an employment agreement with Assignee and/or by operation of law in Austria or other jurisdiction.

6. Background: Quitclaim. Assignor(s) desire(s) to quitclaim assign, and Assignee desires to acquire or confirm acquisition of, any portion of the entire right, title, and interest in and to the inventions of the Application, the Application itself, and any Letters Patent to be obtained therefor and thereon worldwide, that did not transfer to Fluke Corporation.

7. Corrective Assignment. In exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as of the Effective Date, Assignor(s) hereby quitclaim assign, transfer, and set over unto Assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the inventions of the Application, the Application itself, and any Letters Patent to be obtained therefor and thereon worldwide, including any and all direct and indirect divisions, continuations, and continuations-in-part of the Application, including any and all reissues, reexaminations, and extensions or adjustments in term of said Letters Patent of the Application, and including all rights under the International Convention for the Protection of Industrial Property for the inventions of the Application (all together referred to as the "Family Members of the Application"), and including all rights worldwide in the Family Members of the Application, and including the right to sue for and be entitled to any damages, injunctive relief, and any other remedies of any kind for past, current, and future infringement thereof, that Assignor(s) did not transfer in the Initial Assignment Document(s), the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended for the Family Members of the Application, as fully and entirely as the same would have been held and enjoyed by Assignor, had this quitclaim assignment not been made.
