WHEREAS, HYDROZONIX, LLC, a LIMITED LIABILITY corporation duly organized and existing under the laws of the state of Florida, with principal offices at 333 N. Rivershire Drive, Suite 270, Conroe, TX 77304 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire interest therein.

NOW, THEREFORE, pursuant to employment agreement obligations and for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I, said ASSIGNOR, hereby sell, assign, and transfer and set over, unto said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest I have or may have in, to and under said inventions, and said United States applications and all divisions, renewals, continuations, and continuations-in-part thereof, all applications claiming priority thereto or therefrom, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial

and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof. This document further ratifies and confirms acts previously carried out in order to render formal the ownership of the inventions described herein to ASSIGNEE.

ASSIGNOR HEREBY authorizes and requests the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNOR HEREBY grants W. Edward Ramage, Esq. the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or any corresponding agency of any authority or country or countries foreign to the United States, for recordation of this document.

ASSIGNOR HEREBY covenants and agrees that he/she has full right to convey the entire interest herein assigned, and that he/she has not executed, and will not execute, any agreement in conflict herewith.

ASSIGNOR HEREBY further covenants and agrees that he/she will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to him/her respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination and foreign applications, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said inventions in all countries.
