COMBINED DECLARATION AND POWER OF ATTORNEY

As a below named inventor I hereby declare that my residence, post office address and citizenship are as stated below my name; and I believe that I am one of the original and true inventors of the inventions which are described and claimed in a United States Patent Application ("The Application" or "This Application") entitled:

"A STORAGE ASSEMBLY WITH A DRAWER HAVING A DRAWER PULL ASSEMBLY AND A METHOD FOR LOCKING A DRAWER"

I further declare that I have reviewed and understand the contents of The Application, including the claims, as amended by any amendment referred to above; that The Application enables one of ordinary skill in the art to make and use the inventions described in The Application; that The Application is technically accurate; that The Application describes the best way to make and use the inventions described in The Application; that the claims cover the inventions which I desire to obtain protection for; that the inventors listed in The Application are the only true inventors; that I do not know and do not believe the inventions described in The Application were ever known or used in the United States of America before my invention thereof or patented or described in any printed publication, in any country, before my invention thereof for more than one year prior to the filing of the United States Provisional Applications that The Application claims the benefit of and priority from, or in public use or on sale in the United States of America more than one year prior to the filing of the United States Provisional Applications that The Application claims the benefit of and priority from; that the inventions have not been patented or made the subject of an inventor's certificate issued before the filing date of The Application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve (12) months prior to the filing date of The Application; that I acknowledge my duty to disclose information of which I am aware which is material to the examination of The Application in accordance with Title 37 Code of Federal Regulations, Section 1.56; and that no Application for patent or inventor's certificate on the inventions described in The Application has been filed in any country foreign to the United States of America prior to the filing date of The Application by me or my legal representatives or assigns except as follows:
