ASSIGNMENT

WHEREAS, I, Glenn Freeman, a citizen of the United States of America, whose mailing address is 1111 Arion Parkway, Suite 108, San Antonio, Texas 78216 (hereinafter referred to as the "Assignor") am the original inventor of certain new and useful inventions as listed on Schedule A (attached), together with all underlying patent applications that are claimed therein as a basis for priority, (collectively, hereinafter "the Patent/Applications") as well as all new and useful improvements described in any of the Patent/Applications; and

WHEREAS, General LED, Inc., a corporation organized under the laws of the State of Texas, whose primary place of business is 1111 Arion Parkway, Suite 108, San Antonio, Texas 78216 (hereinafter referred to as the "Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the said improvements and the said application;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, I, the said Assignor, have sold, assigned, transferred, and set over, and by these presents, do hereby sell, transfer, and set over, unto the said Assignee, its successors, legal representatives and assigns, my entire right, title and interest in, to and under the said improvements, and the said Patent/Application and any and all divisions, renewals, continuations, and continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon or claim priority thereto, and all reissues and extensions thereof, and all applications for Letters Patent which have been or may hereafter be filed for said improvements in any country, countries, or regions foreign to, or international offices with jurisdiction beyond the United States and all extensions, renewals and reissues thereof, including all rights to recover for any past infringements of any of the foregoing, as well as future infringements; and I hereby authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND, I hereby warrant and covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND, I hereby further warrant and covenant that I will communicate to the said Assignee, its successors, legal representatives and assigns, any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent and similar protection for said improvement in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 17 day of February, 2014.

Assignor Glenn Freeman
