ASSIGNMENT OF PATENT APPLICATIONS AND RIGHTS OF PRIORITY

WHEREAS,

1. KAREN FURLANI (Surviving Spouse), residing at
12 Hillside Pkwy, Lancaster, NY 14086
am the legal representative of deceased Edward Furlani's estate, and I hereby do
authorize this assignment be made and the filing and recordation of same.

The deceased Edward Furlani invented a certain new and useful
improvement in a Method And System For Bone Regeneration, for which a non-
provisional United States patent application was filed in the United States Patent
and Trademark Office on March 21, 2018, and said non-provisional United States
patent application having Application Number 15/927,240;

AND WHEREAS, GARWOOD MEDICAL DEVICES, LLC, having its place of
business at 77 Goodell Street, Buffalo, New York 14203 is desirous of acquiring the
entire right, title and interest in the non-provisional United States patent application
and in the invention, and all foreign patent applications and all Patent Cooperation
Treaty patent applications (hereinafter referred to as PCT patent applications), and
is desirous of acquiring the entire right, title and interest in all United States patents
and foreign and regional patents that may be obtained therefore or thereupon; and
is desirous of acquiring the entire right, title, and interest in all rights of priority, and
acquiring the entire right, title, and interest in all rights of priority in all patent
applications that claim the benefit of or the right of priority to the non-provisional
United States patent application;

NOW THIS INDENTURE WITNESSETH, that for the sum of one dollar and
other good and valuable consideration to me in hand paid, the receipt of which is
hereby acknowledged, I hereby assign, sell, and transfer unto GARWOOD MEDICAL
DEVICES, LLC my entire right, title and interest in and to the United States patent
application and in and to the invention to GARWOOD MEDICAL DEVICES, LLC

including the rights to file any other patent application in the United States or claiming the benefit of the United States patent application, and including the rights to file any and all divisional, continuation and continuation in part patent applications claiming priority to or the benefit of or other rights in the non-provisional United States patent application, and the rights to seek reissues and extensions of any patent to be granted, and I agree to execute assignments of United States patents to be obtained therefore to GARWOOD MEDICAL DEVICES, LLC.

I further hereby do assign, sell, and transfer to GARWOOD MEDICAL DEVICES, LLC my entire right, title and interest in and to said United States patent application and in and to the invention throughout all countries foreign to the United States including the rights to file foreign patent applications that claim priority the United States patent application and to otherwise seek any patent in any foreign country. I further hereby do assign, transfer and sell to GARWOOD MEDICAL DEVICES, LLC all of my rights of priority and all of my rights to claim priority, and all of my priority rights, and all of my rights to priority rights globally and all of my rights to priority and to claim priority under the International Convention For the Protection of Industrial Property, under the Paris Convention, and under the Patent Cooperation Treaty, and other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing patents in the United States and countries foreign thereto. I hereby do assign all of my rights to be granted a patent in any and all Patent Cooperation Treaty Contracting States. And, I further agree to assign and hereby do assign all United States patents, divisional patent applications, continuation patent applications, continuation in part patent applications, and any patent issuing therefrom to GARWOOD MEDICAL DEVICES, LLC, and agree to and hereby do assign all foreign patent applications and any patent issuing therefrom to GARWOOD MEDICAL DEVICES, LLC.

I ratify the acts of GARWOOD MEDICAL DEVICES, LLC in applying for any patent in its own name in the United States and in any foreign country where that procedure is proper or allowable and agree to execute patent applications in the United States and to execute foreign patent applications in any and all foreign

countries where it is necessary that the patent application be executed by the inventor, and I agree to execute assignments of United States and foreign patent applications and any patent to be obtained therefore to GARWOOD MEDICAL DEVICES, LLC.

I hereby authorize and request the Commissioner For Patents of the United States and any official in a county foreign to the United States whose duty it is to issue patents and any reissues and extensions thereof to issue any and all patents to be granted to GARWOOD MEDICAL DEVICES, LLC in accordance with this Assignment.

AND, I further agree to sign and properly execute such necessary and lawful papers for obtaining any non-provisional United States patent and for reissue or reissues of said patent, and for filing continuation patent applications, continuation in part patent applications, and divisional patent applications, and for any patent application filing in any foreign country and for any patent application filing under any Convention, Treaty or the Paris Convention as GARWOOD MEDICAL DEVICES, LLC shall hereafter require and prepare at its own expense.
