ILLUMINATED DOME/CONNICAL MIRROR VALVE POSITION INDICATION

- for which application for Letters Patent in the United States is filed herewith;
- for which Utility Application for Letters Patent in the United States was filed on September 14, 2016, under Serial No. 15/265,553; for which Utility Application for Letters Patent in the United States was filed on November 1, 2013, under Serial No. 14/070,100 (now US patent no. 9,546,742); for which an International Application was filed on November 1, 2013, under Application No. PCT/US13/68098; and for which Provisional Application for Letters Patent in the United States was filed on November 1, 2012, under Serial No. 61/721,123.
- I/we hereby authorize and request our attorneys, Mark Oathout of 3701 Kirby Drive, Suite 960, Houston, Texas 77098, USA to insert here in parentheses (Application number _____ and Confirmation number _____, filed _____) the filing date and application number of said application when known;

And

WHEREAS, Bray International, Inc., a corporation of the State of Texas, having a place of business at 13333 Westland East Blvd., Houston, Texas 77041, USA (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said application (hereinafter referred to as Application), and the invention disclosed therein (hereinafter referred to as Invention), and in and to all embodiments of the Invention, heretofore conceived, made or discovered by said Assignors, and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter referred to as Patents) thereon granted in any and all countries and groups of countries, and including all improvements.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Assignors to have been received in full from said Assignee:

1. Said Assignors hereby sell, assign, transfer and convey to Assignee the full and exclusive right, title and interest (a) in and to said Application and said Invention; (b) in and to all rights to

apply for patents on said Invention in any and all countries pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all Applications filed and any and all Patents granted on said Invention in any and all countries and groups of countries, including each and every Application filed and each and every Patent granted on any application which is a non-provisional, division, substitution, continuation, continuation-in-part of, or provisional pertaining to said Application or which otherwise claims the benefit of priority to said Application; and (d) in and to each and every reissue or extension of any of said Patents.

2. Said Assignors hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest to said Invention herein conveyed in any and all countries and groups of countries. Such cooperation by said Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said Invention; (d) for filing and prosecuting applications for reissuance of any of said Patents; (e) for interference or other priority proceedings involving said Invention; and (f) for legal proceedings involving said Invention and any application therefor and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Assignors in providing such cooperation shall be paid for by said Assignee.

3. I hereby authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate (including its attorney, Mark Oathout of 3701 Kirby Drive, Suite 960, Houston, Texas 77098, USA), to insert in this instrument the relevant Application Number (and filing date) _____ of any Provisional application, Utility application and/or International application derived therefrom when ascertained, although this assignment shall be binding, valid and complete in the event that the space(s) appearing in this paragraph remain blank.

4. The term and covenants of this agreement shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Assignors, their respective heirs, legal representatives and assigns.

5. Said Assignors hereby warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.
