PCT PATENT APPLICATION
Docket No: 11398.161a

Form P4

ASSIGNMENT

We the under signed, hereinafter collectively referred to as "Assignor," are the inventors of an invention entitled FLUID MIXING SYSTEM WITH FLEXIBLE DRIVE LINE AND FOLDABLE IMPELLER. Preferred embodiments of said invention are disclosed in:

[X] PCT International Application No. PCT/US2013/031608, filed 3/14/2013.

Assignor hereby authorizes the patent attorneys and/or patent agents of Workman Nydegger to insert the above Application No. and filing date when known.

The Assignee, HYCLONE LABORATORIES, INC., a corporation of the state of Utah, having a principal place of business at 925 West 1800 South, Logan, Utah 84321, desires to secure the entire right, title and interest in said invention and the patent application filed thereon.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledge,

ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in said invention and in the above-identified International application and in all nationalizations thereof and in all divisions, continuations and continuations-in-part of said nationalizations, and in all patents issuing thereon in the United States and foreign countries and in all reissues or extensions of Letters Patent or Patents granted thereon,

The right to file United States and foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

Assignor hereby agrees, without further consideration, to sign all lawful papers and to perform all other lawful acts which the Assignee may request Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, continuation, continuation-in-part, substitute, reissue, and other United States applications and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

With regard to the above-identified application and applications claiming priority thereto, cooperate to the best of Assignor's ability in: (1) proceedings relating to nullification, reissue, extension, post grant, inter parties, derivation, supplemental examination, and infringement; (2) execution of all lawful documents; and (3) the production of evidence.

This assignment and agreement shall be binding upon Assignor's heirs and legal representatives.
