**ASSIGNMENT**

WHEREAS, I, Michael E. Manwaring (hereinafter referred to as the "Assignor"), a citizen of United States, residing at 16703 Weyburn, San Antonio, TX 78248, am an original inventor or joint inventor of a certain new and useful invention described in a provisional application for United States Letters Patent filed on January 28, 2016 (Application No. 62/288,167); and

WHEREAS, KCI Licensing, Inc., a corporation of Delaware whose post office address is P.O. Box 659508, San Antonio, Texas 78265-9508 (hereinafter referred to as "Assignee"), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, in and to the provisional application for United States Letters Patent on this invention, and in and to Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, this provisional application, and all subsequently filed applications claiming the benefit of or priority to this provisional application, including a non-provisional application for United States Letters Patent filed on \_\_\_\_\_ in Application No. \_\_\_\_\_, all divisions, continuations, and continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above-referenced non-provisional application, as well as all rights to claim priority on the basis of the provisional application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY authorize the Assignee's attorney of record to insert in this assignment document the filing date and serial number of the non-provisional application for the above-identified invention if the date and serial number are not provided at the time this document is executed;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
