ASSIGNMENT BY INVENTORS

WHEREAS, we, Gene Varona, a citizen of the United States, having a residence address of 3309 Woodrun Trail, Marietta, Georgia 30062; Andrew Wright, a citizen of the United Kingdom, having a residence address of 5 Warren Close, Pilsley S45 83, Derbyshire, United Kingdom; and Patrick King Yu Tsang, a citizen of Hong Kong, residing at Block 7, Apartment 22/F, Flat A, Gold Coast Residence Phase 2, 1 Castle Peak Road, Tuen Mun, N.T., Hong Kong (hereinafter the “Assignors”), are the inventors and owners of a certain new and useful invention(s) (hereinafter “Invention”) and improvement(s) entitled “Multi-Layered Absorbent Article”, as set forth in U.S. Application for Letters of Patent of the United States, already filed on March 17, 2014, as U.S. Application No. 14/216,173 (“Utility Application”) and also in PCT International Application No. PCT/US2014/030066, filed on March 15, 2014 (“PCT International Application”); and which claim the benefit of U.S. Provisional Application No. 61/799,075, filed on March 15, 2013 (“Provisional Application”)

WHEREAS, DSG Technology Holdings Ltd., a corporation, organized under and pursuant to the laws of the British Virgin Islands having its principal place of business at Craigmuir Chambers, P.O. Box 71, Road Town, Tortola, British Virgin Islands (hereinafter “the Assignee”), is desirous of acquiring the entire right, title and interest in and to said Invention and said Utility Application, and in and to any United States or corresponding foreign application claiming or applied for the Invention and any Letters Patent to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to

(a) said Invention and improvements entitled "Multi-Layered Absorbent Article" and worldwide rights therein;

(b) said Provisional Application;

(c) said Utility Application and said PCT International Application;

(d) any other United States or corresponding foreign or International patent application claiming or applied for the Invention, or claiming priority to or the benefit of the filing date of the Provisional Application, PCT International Application, or Utility Application, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(d) all United States and foreign patents which shall issue on said Invention or from any of the above-identified applications ((a) - (c)) including all reissues, renewals, divisions, continuations, and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said Invention in any and all foreign countries, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by me, had this Assignment and sale not been made.

AND for the same consideration, each Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said Invention and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full-right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, each Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letter Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention, or said Utility Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said Invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

THE AMATONG LAW FIRM, PLLC

Alberto Q. Amatong, Jr. U.S.P.T.O. Registration No.: 41,580

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
