Collectively, the "Applications";

WHEREAS, FORMA covenants, based on the assignments from the inventors., that the rights and property herein conveyed are free and clear of any encumbrance, and that FORMA has the full right to convey the Applications as herein expressed;

WHEREAS, FORMA TM, LLC, a Delaware Limited Liability Company, having an office at 500 Arsenal St., Suite 100, Watertown, MA 02472, USA, and its successors, assigns and legal representatives (hereinafter ASSIGNEE), is desirous of obtaining the entire right, title and interest in, to and under the inventions disclosed in the Applications;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, FORMA does hereby sell, assign and transfer or confirm the grant and assignment to ASSIGNEE its right, title and interest in all countries of the world in and to the invention described in said Applications, in and to the right to file patent applications in the name of inventors, at their election, on the aforesaid invention in all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified Applications under any international arrangements or conventions relating to patents or intellectual property, in and to any and all Letters Patent that are granted from the aforesaid application for Patents, in and to any application claiming priority benefits to a provisional patent application or other applications filed on said invention, and in and to any continuations, divisions, reexaminations, reissues, renewals and extensions thereof of any said Letters Patent;

AND FORMA HEREBY covenants and agrees that it will at any time, upon request and at it's expense, without further compensation or charge the ASSIGNEE, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing invention, patent applications, and Letters Patent and continuations, divisions, reexaminations, reissues, renewals and extensions thereof in the name of the ASSIGNEE, including the procurement of any and all further documents evidencing this assignment and sale as may be

necessary or desirable for recording same in the Patent Office of any country concerned, and will make all rightful oaths and declarations and do all lawful acts requisite for procuring the same or for aiding therein.

AND FORMA HEREBY further covenants and agrees that it will communicate to the ASSIGNEE or its legal representatives or assignees, any facts known to it respecting said improvements, and sign all lawful papers, and generally do everything possible to aid to the ASSIGNEE, to obtain and enforce proper patent protection for said invention or improvements in all countries.

This document may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such components shall together constitute but one and the same document.
