## ASSIGNMENT

This Assignment is made by **Brendan Strath**, of 7761 Loma Verde Ave., Canoga Park, CA 91304; and **Or Vardi**, of 6050 Whitsett Ave unit 15, North Hollywood, CA 91606, **Assignors**, to **Spectrum King LLC**, a Delaware limited liability company having a place of business at 7751 Alabama Ave. #1, Canoga Park, CA 91304, **Assignee**.

WHEREAS, Assignors have invented a new and useful **FULL SPECTRUM LED GROW LIGHT SYSTEM**, for which an application for United States Letters Patent was filed on February 28, 2018 and assigned Serial No. 15/908,546;

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, the entire right, title, and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise. Assignors further transfer and assign to Assignee all causes of action, rights, and remedies arising under any patent or application for said invention prior to or after the effective date of this Agreement.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for

perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said continuation-in-part application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignors and Assignee have executed this Assignment on the date written below.
