ASSIGNMENT

WHEREAS, Angie Melgar, having a residential address of 1501 Rosa L. Parks #205, Nashville, Tennessee 37208, U.S.A., and Karinne Caulkins, having a residential address of 322 Devonshire, Franklin, Tennessee 37064, U.S.A., (the "Assignors"), are the inventors of a certain new and useful invention (the "Invention") relating to:

INSULATING CUP SLEEVE

for which application is about to be made for Letters Patent in the United States (the "Application"); and

WHEREAS, for purposes of the application of the patent laws of the United States, Assignors are the owners and in full possession of the entire right, title and interest in and to said Invention, said Application, and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, Huhtamaki, Inc., a corporation duly organized under the laws of the State of Kansas, (hereinafter referred to as "Assignee"), having its principal office and place of business at 9201 Packaging Drive, De Soto, Kansas 66018, is desirous of acquiring the entire right, title and interest in and to said Invention, said Application, and in and to any and all Letters Patent that may be granted therefor; and;

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisionals, non-provisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said Application or otherwise for said Invention.

ASSIGNORS further covenant and agree that they will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's rights in and to the Invention and any and all United States and/or foreign Letters Patent that may be granted on said Application or otherwise for said Invention.
