ASSIGNMENT

In consideration of One United States Dollar (USD 1.00), and other good and valuable considerations, the Receipt of which is hereby acknowledged, I the undersigned,

Tal Shahar, having an address at: 3 HaShaked Street, Rishpon, Israel;

Hereby sell, assign and transfer to **S.B GROUP LTD.**, an Israeli company, having an address at 41 HaYovel Street, Raanana, Israel, as well as its successors and future assignees (hereinafter, the "Assignee"), the entire right, title and interest, **with regard to the United States of America** in and to any and all inventions which are disclosed and/or claimed, in United States national stage patent application serial number **US 16/335,255**, filed in the United States patent and trademark office on **March 21, 2019**, titled "**Device for wearing socks, and method of using such device**", and in and to said application and all divisional, continuing, continuation, substitute, renewal, reissue, and all other patent applications and/or patents, including utility patent applications and/or design patent applications, which have been filed or which may be filed in the future, in the United States, with regard to any of said inventions disclosed and/or claimed in said application; and in and to all original and/or reissued patents which have been issued or which may be issued in the future with regard to said inventions; and further assigns herein to said Assignee, any and all rights of priority that said application has or may have, or which the Assignee has claimed or may claim in the future with regard to said application, in the United States;

Authorize and request the United States Patent and Trademark Office (USPTO), to issue to said Assignee, any and all patents (including, but not limited to, United States Letters Patent) on any of said inventions disclosed and/or claimed in said application;

Agree that said Assignee may apply for and receive United States Letters Patent or patents of any other kind for any of said inventions, in the United States; and may claim, in such patent applications, the right of priority from said patent application under any relevant or applicable treaty or convention or patent law or patent regulations.

Tal Shahar
