ASSIGNMENT OF PATENT APPLICATION

Attorney Docket No.: 60378-0172

WHEREAS WE, Jon Hartlaub, of Mountain View, CA, USA; and Mikhail Denis D'Souza, of Sydney, New South Wales, Australia; ("inventor(s)" and "assignor(s)") have made a certain new and useful invention(s) as set forth in an application for United States Letters Patent, titled EFFICIENT EVALUATION OF HIERARCHICAL PERMISSION DATA IN DISTRIBUTED COMPUTER SYSTEMS and attached and/or submitted or filed on even date herewith, and/or said patent application also identified as follows (when known):

AND WHEREAS, each of Atlassian Pty Ltd a company organized under the laws of Australia and having an address of Level 6, 341 George Street, Sydney New South Wales 2000 Australia and Atlassian, Inc. a Delaware corporation having a business address of 350 Bush Street, Floor 13, San Francisco, CA 94104 (collectively "Assignees") desires to acquire a joint interest with the other in the entire right, title and interest of said inventor(s) in and to said invention(s) and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable; consideration, the receipt for and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto said Assignees jointly, their legal representatives, successors, and assigns, a joint interest in the entire right, title and interest in and to said invention(s) as set forth in the above-mentioned application, including, but not limited to, any provisional, non-provisional, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention(s) and the right to claim priority, or the benefit of, to the above-mentioned application;

UPON SAID CONSIDERATIONS, we hereby agree with the said Assignees that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said Assignees, execute such additional assignments and other writings and do such additional acts as said Assignees may deem necessary or desirable to perfect the Assignees' enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention(s), and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and Assignees;

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention(s) to said Assignees, their legal representatives, successors or assigns, as joint owners of the entire right, title and interest in and to said patent and the invention(s) covered thereby.
