AVENISENSE:

WIKI TECH:

title and interest in and to the patents, patent applications, trademarks registrations set forth on Schedule ("Assigned Patents and Trademarks"); and

WHEREAS, Assignor and Assignee have agreed to execute this Assignment to evidence the transfer of title of the Assigned Patents and Trademarks from Assignor to Assignee for purposes of recordation with the applicable governmental entities or registrars (including any applicable foreign, regional or international office or registrar), including but not limited to European Patent Office (EPO), French Industrial Property Office (INPI), United States Patents and Trademarks Office (USPTO) and Brazilian Industrial Property Office (INPI).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. Conveyance:

Assignor does hereby sell, convey, assign and transfer to Assignee all of Assignor's right, title and interest in and to (i) the Assigned Patents and all related continuations, continuations-in-part, divisionals, reissues, re-examinations, substitutions, and extensions thereof, (ii) the Assigned Trademarks registrations, and (iii) all benefits, privileges, causes of action, and remedies relating thereto throughout the world, including, without limitation, all of Assignor's rights to: (a) apply for and maintain all registrations, renewals or extensions thereof, (b) bring actions and recover damages for past, present and future infringement or other violation thereof, (c) grant licenses or other interests therein, (d) any rights of priority in the Assigned Patents and Trademarks, and (e) any international applications filed under the Patent Cooperation Treaty.

2. Acceptance:

Assignee declares to accept this assignment.

3. Warranty:

Assignor assigns the Assigned Patents and Trademarks to Assignee on an "as-is" basis, without any representations or warranties, whether express, implied, by operation of law, or otherwise, and Assignor hereby expressly disclaims any and all warranties, including any warranties of merchantability, fitness for a particular purpose, title, and non-infringement, and any and all warranties that may arise

from course of dealing, course of performance, or usage of trade.

4. Recordation:

Assignor hereby authorizes and requests the applicable governmental entities or registrars (including any applicable foreign, regional or international office or registrar), including but not limited to European Patent Office (EPO), French Industrial Property Office (INPI), United States Patents and Trademarks Office (USPTO) and Brazilian Industrial Property Office (INPI) to record Assignee as the owner of the Assigned Patents and Trademarks, and to issue any and all Assigned Patents and to register any and all Trademarks to Assignee, as assignee of Assignor's entire right, title and interest in, to, and under the same. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect its ownership of the Assigned Patents and Trademarks. Assignee shall be solely responsible for the recordation, perfection, prosecution and maintenance of the Assigned Patents and Trademarks, at Assignee's expense.

5. Further Assurances:

Assignor shall provide Assignee, its successors, assigns or other legal representatives, reasonable cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation) as are reasonably requested by Assignee, at Assignee's expense, to effect, register, or maintain the rights assigned herein, including: (a) the preparation and prosecution by Assignee of any applications or registrations assigned herein; and (b) the prosecution or defense by Assignee of any interference, opposition, reexamination, reissue, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, but not limited to, testifying as to the fact of the assignment of rights hereunder.

6. Successors and Assigns:

This Assignment shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.

7. Counterparts:
