CONFIRMATION OF ASSIGNMENT

WHEREAS, We Francis Malka and Gilles Desforges whose full addresses are 1521, avenue Kerr, St-Lambert, QC, CANADA, J4R 1 W2, and 445, avenue Alexandra, St-Lambert, QC, CANADA, J4R 1Z4 (hereinafter referred to as the assignor(s)) did on March 31, 2011 execute an "Assignment of Invention, Universal" (copy attached) for an invention or inventions entitled:

A method, tool, and device for assembling a plurality of partial floor plans into a combined floor plan

which invention (or inventions) is hereinafter referred to as "The Invention".

WHEREAS, now for the avoidance of any doubt, we now wish to confirm the following:

We hereby confirm that U.S. Patent Application Serial No. 13/077,938 filed on March 31, 2011, which later issued as U.S. Patent No. 8,996,336, and European Patent Application Serial No. EP20120161173, of which we are the identified inventors, do in fact describe and claim The Invention.

We further confirm that our March 31, 2011 assignment was intended to, and in fact did, assign all right, title, and interest in U.S. Patent Application Serial No. 13/077,938 and U.S. Patent No. 8,996,336, and European Patent Application Serial No. EP20120161173, as well as divisional, continuation, continuation-in-part, substitute application(s), supplementary disclosures, re-issue, reexamined application, or corrective type application of any type, that may be filed in the United States or in Europe, and any patent that may issue therefrom, to Sensopia, Inc., whose full post office address is 465 Rue Saint Jean, Montreal, QC Canada, H2Y 1V8 ("Assignee").

We further confirm our agreement to, without any payment by the Assignee other than expenses incurred by the undersigned, to communicate to the Assignee, its representatives or agents, any facts relating to The Invention, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon my/our heirs, legal representatives, administrators and assigns.

In the event, any right, title, or interest in The Invention is determined as not having been assigned in the March 31, 2011 assignment, in the consideration of ONE DOLLAR and other good and valuable consideration, the receipt whereof is hereby acknowledged, we hereby assign and sell any such right, title, and interest in The Invention to the Assignee, in each and every country in the world, to any and all patents, registrations and the like which may issue therefore, including, any rights, titles and interest in any reissues, reexaminations, and extensions thereof to

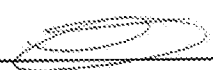

be obtained in any country, and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed in any country, and which pertains to The Invention.

Les soussignés désirent que la présente cession soit rédigée en anglais. The undersigned request that the present assignment be in English.

IN WITNESS WHEREOF, We have hereunto set our hands and seal this 28 day of March 2019.
