ASSIGNMENT

In checking the company records, it came to our attention that the company name was shown incorrectly as LINK MANUFACTURING, LTD. The company name should be shown as being assigned to LINK MFG., LTD., an Iowa corporation, having an address of 223 15th Street, N.E., Sioux Center, IA 51250, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in the following Letters Patent of the United States:

Patent No. 6,962,360, issued in the United States Patent Office on the 8th day of November, 2005, entitled AIR SUSPENSION ANTI-ROLL STABILIZATION SYSTEM; Patent No. 7,048,287, issued in the United States Patent Office on the 23rd day of May, 2006; entitled AIR SUSPENSION ANTI-ROLL STABILIZATION SYSTEM; Patent No. 7,789,405 issued in the United States Patent Office on the 7th day of September, 2010; entitled LINKAGE-TYPE AIR SUSPENSION SYSTEM and Patent No. 7,966,685, issued in the United States Patent Office on the 28th day of June, 2011, entitled POCKET RAMP, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for

the said considerations the undersigned further agrees, upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned hereby becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns in the matter of preparing and executing the preliminary statement and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent of the United States and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made, together with all claims for damages by reason of past infringement of said Letters Patent with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

And for said considerations, the undersigned hereby assigns to said assignee, its successors and assigns, the entire right, title and interest in said invention or improvements for any and all foreign countries and agree, upon the request of assignee, its successors and assigns, to execute any and all documents that undersigned shall be requested to execute in connection with any and all applications for foreign Letters Patent therefore, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in assignee.

Witness my hand and seal this 2nd day of April, 2019.

James M. Hule
Company Officer
