PATENT ASSIGNMENT

Comes Now the Government of the United States of America as represented by the Secretary of the Navy and University of Central Florida Research Foundation, Inc.,

Now therefore for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

The Government of the United States of America as represented by the Secretary of the Navy (hereinafter designated as the "Assignor") agrees to assign, and hereby does assign, transfer, and set over to University of Central Florida Research Foundation, Inc. (hereinafter designated as the "Assignee") its entire right, title, and interest in and to the invention(s) entitled and described in Schedule A, incorporated herein by reference, and any and all progeny applications throughout the world (collectively, "Inventions").

(1.)   Assignor here by , does sell, assign, transfer, and set over to the Assignee, its full, exclusive, and entire right, title, and interest in and to the Inventions and/ or any improvements of Assignor thereto, along with any and all Patents that may be granted therefor in the United States, and elsewhere in the world subject to reservation to the United States of America of a nonexclusive, nontransferable, irrevocable, paid-up license to practice or have practiced on behalf of the United States of America the subject matter of the invention(s) throughout the world..

(2.)   Assignor agrees to review and execute all separate assignments in connection with such patents as may be deemed necessary or expedient.

(3.)   Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, and all similarly situated foreign officials, to issue any and all Letters Patent(s) for the Inventions to the said Assignee, as Assignee of the Assignor's entire right, title, and interest in and to the same for the Assignee's sole use, benefit, and behoof, and for the use and behoof of Assignee's legal representatives, to the full end of the term for which said Patent(s) are granted, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.
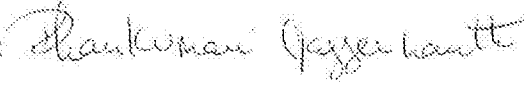

IN WITNESS WHEREOF, the parties have executed, made and entered into this Assignment under seal as of the date last set forth below.
