PATENT ASSIGNMENT

WHEREAS, INSPUR ELECTRONIC INFORMATION INDUSTRY CO., LTD, a corporation organized under the laws of China with an address of No. 1036, Shunya Road, High-tech Zone, Jinan City, Shandong 250014, China ("Assignor") is the owner of all right, title, and interest, including the right to sue, collect and receive damages, royalties or settlement for future infringement, misappropriation, or violation of any rights related in and to an invention entitled "MEMBER-ORIENTED HYBRID CLOUD OPERATING SYSTEM ARCHITECTURE AND COMMUNICATION METHOD THEREOF" issued with the U.S. Patent and Trademark Office on April 5, 2016 and assigned U.S. Patent No. 9,307,017 (referred to as the "Letters Patent");

WHEREAS, SHANGHAI INSPUR CLOUD COMPUTING SERVICE CO., LTD., a corporation organized under the laws of China with an address of Room 411, No. 238 Jiangchangsan Road, Jingan District, Shanghai Post Code:200436, Shanghai China ("Assignee") is desirous of acquiring from Assignor all right, title and interest in and to the Letters Patent; and

WHEREAS, Assignor desires to assign, convey, sell and transfer all right, title, and interest in and to the Letters Patent to Assignee; and

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee the entire right, title and interest in and to the Letters Patent, including without limitation, all rights to causes of action and remedies related thereto (including, without limitation, the right to sue, collect and receive damages, royalties or settlements for future infringement, misappropriation, or violation of any rights related to the foregoing and the right to sue for injunctive or other equitable relief), all inventions described in the Letters Patent, and in all intellectual property or industrial property protection derivable therefrom, including all trade secrets and know-how pertaining to the Letters Patent and any other rights and interests arising out of, in connection with, or in relation to the Letters Patent.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful

owner of the entire right, title and interest in and to the Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of the Letters Patent, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Letters Patent, including but not limited to interference proceedings, is lawful and desirable.
