NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
OFFICE OF THE GENERAL COUNSEL
WASHINGTON, DC

LICENSE TO THE GOVERNMENT

Pursuant to the Instrument of Waiver executed by the General Counsel on behalf of the Administrator of the National Aeronautics and Space Administration (NASA) and relating to an invention made under a contract with the Contractor, identified below, the Instrument being granted and subject to the provisions contained therein, the Government does hereby reserve and the Contractor does hereby confirm to the Government of the United States of America as represented by the Administrator of NASA, the license and rights therein reserved, namely an irrevocable, nonexclusive, nontransferable, royalty-free license for the practice of the invention claimed in -

Contractor : The Boeing Company

Application S.N. : 15/397,671

Filed : Jan. 3, 2017

Patent No. : US 10,174,843 B1

Issued : Jan. 8, 2019

NASA Case No. : KSC-14105

Waiver No. : KSC-W-5092

Contract No. : NNK14MA75C

Docket No. : 16-1712-US-NP-NPA

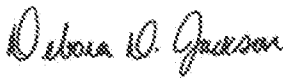

Waiver Instrument Dated On: December 14, 2018

Applicant(s) : Drew Smallwood

Title : Single Piece Redundant, Bi-directional, Seal Damage Prevention Pressure Seal

throughout the world by or on behalf of the United States or any foreign government pursuant to any treaty or agreement with the United States. The Contractor hereby provides the Administrator an irrevocable power to inspect and make copies of the patent application. This license shall be subject to the reservation by the Administrator of the right to require refund of any amounts received as royalty charges on the waived invention in procurement for or on behalf of the Government and to provide for the refund in any Instrument transferring rights to any party in the waived invention. The above license, set forth in the NASA Patent Waiver Regulations, 14 CFR 1245 of November 16, 1987, and more specifically subsection 1245.107, is also subject to the March-in Rights and any additional reservation of the subsection.

The contractor has caused this agreement to be executed by its duly authorized representative on March 11, 2019.
