ASSIGNMENT

WHEREAS, Gene H. Zaid of 3904 Aspen Ct., Hutchinson, KS 67502, and Cameron E. West of 101 S Broadway, Sterling, KS 67579, have invented certain new and useful improvements in

THYMOQUINONE/HARMALINE AND RELATED REACTION PRODUCTS,
for which we are about to make applications for Letters Patent of the United States and of countries foreign to the United States through the Patent Cooperation Treaty ("PCT");

WHEREAS, Ankh Life Sciences Limited ("Ankh"), an Irish company having an address of 88 Harcourt Street, Dublin 2, Ireland, wishes to perfect its ownership interest in, to, and under said applications, said invention, and any and all patents which may be granted for or upon said invention anywhere in the world.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Gene H. Zaid and Cameron E. West have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto Ankh, the full and exclusive right, title, and interest, throughout the world, in, to, and under the following:

(a) said invention as fully set forth and described in the specification prepared and executed by me on even date herewith and identified under attorney Docket No. 48856-US and Docket No. 48856-PCT, and in all of the specifications of all of the priority applications, of which said application claims the benefit, and all rights to claim priority from any of the foregoing;

(b) said application, including the right to claim priority to said application;

(c) any and all patent applications which claim the priority (directly or indirectly) of said application and which have been, or may be, filed in the United States or any country foreign

thereto, or via any international treaty or convention, together with all rights to file and make any priority claims in connection with said later-filed applications;

- (d) any and all inventions disclosed or claimed in such later-filed applications;
- (e) any and all refilings, divisions, and continuations of said later-filed applications;
- (f) any and all patents which may issue from said later-filed applications, refilings, divisions and continuations; and
- (g) any and all reissues and extensions of, and additions to, any patents assigned herein.

ALL of the above shall be held and enjoyed by Ankh for its own use and behest, and for its successors, legal representatives, and assigns, to the full end of the term for which said patents may be granted. Gene H. Zaid and Cameron E. West do hereby authorize and request that all patents assigned herein be issued in accordance with this Assignment.

Gene H. Zaid and Cameron E. West further agree to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Ankh's rights as assigned herein.

Executed this 9th day of April, 2019.
