ASSIGNMENT OF PATENT APPLICATION

Each of us the undersigned is an inventor of certain inventions relating to

METHOD OF AND DEVICE FOR IMPROVING MARKSMANSHIP SKILL

(hereafter INVENTION) described in an application for Letters Patent of the United States, identified as Docket/Ref. No. KINE101, at Dov Rosenfeld, 5507 College Avenue, Suite 2, Oakland, CA 94618, the specification of which is filed concurrent with recording of this assignment, unless the following is checked ☐ and filed on December 27, 2016, as Application Serial No. 15/390718, hereafter referred to as APPLICATION.

Kinetropo, LLC, a corporation organized under the laws of , hereafter referred to as ASSIGNEE, is desirous of acquiring as the entire right, title and interest in and to said INVENTION and APPLICATION.

FOR GOOD AND VALUABLE CONSIDERATION, receipt of which is hereby expressly acknowledged:

EACH OF US hereby sells, assigns, transfers and conveys unto ASSIGNEE and its successors, assigns and legal representatives, the entire right, title and interest:

- 1) in and to said INVENTION and APPLICATION, any and all improvements relating to said INVENTION and APPLICATION, and each and every additional application filed anywhere in the world, which additional application is a division, substitution, continuation or continuation-in-part, of, is based on or claims priority of said APPLICATION, or which additional application relates to said INVENTION or improvements;
- 2) all priority rights associated with the filing of each and every such application, for each country of The Paris Convention; and
- 3) in and to each and every Patent on said invention and improvements that may be granted by any country, including each and every Patent that may be granted on any of the applications referred to hereinabove, and in and to each and every reissue, re-examination or extension of each and every such Patent.

EACH OF US warrants, covenants and represents the fact that each of us has not heretofore granted any license, right or privilege with respect to said INVENTION or said APPLICATION to any other, or in any other way encumbered the Same, and that each of us has the full right to sell, assign, transfer and convey, free of all licenses and encumbrances, the entire interest hereby assigned.

EACH OF US covenants that, at the request and expense of ASSIGNEE, each of us shall promptly execute all papers necessary or desirable to perfect ownership of said INVENTION, said APPLICATION, said applications, and said each and every Patent to ASSIGNEE, and execute all oaths, declarations and other papers necessary or desirable for prosecuting said APPLICATION and said additional application(s), for use in interference proceedings involving said INVENTION, said APPLICATION, said additional application(s), and each and every Patent, for use in opposition proceedings involving said invention, APPLICATION and additional applications and each and every Patent, for refiling APPLICATION and additional application(s), for filing of , substitution, continuation or continuation-in-part applications deemed necessary or desirable by ASSIGNEE, for reissuance or re-examinations of said each and every Patent, or for the filing in foreign countries of applications for Patent Counterpart to or based on said APPLICATION or to an application which is , division, substitution, continuation or continuation-in-part of said application or which application relates to said invention and improvements.

EACH OF US further covenants and agrees that, at the expense and request of ASSIGNEE, each of us shall promptly assist ASSIGNEE in interference and opposition proceedings involving said invention, applications and each and every Patent, and in litigation involving said INVENTION, APPLICATION, other applications and each and every Patent, and will assist in the ascertainment of facts and the production of evidence relating to said INVENTION, APPLICATION, other applications and each and every Patent.

The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other legal representatives, and shall be binding upon each of us, each of our heirs, legal representatives and assigns.

We authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the
