ASSIGNMENT

WHEREAS, new and useful improvements have been made by the undersigned
in

MANDREL CHAIN WITH MAGNETIC RETENTION

that are the subject of an application for a U.S. Patent, (Application Number
16/311768, filed December 20, 2018), which application is further
identified as Rankin, Hill & Clark LLP Docket No. MBO-44914.

WHEREAS, KHS CORPOPLAST GmbH, a corporation of Germany, and having
a place of business at Meiendorfer Strasse 203, 22145 Hamburg, Germany (DE),
hereinafter referred to as "assignee", is desirous of acquiring all right, title, and interest
throughout the world in, to, and under said improvements and inventions and patent
rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and
sufficiency of which are hereby acknowledged, all right, title, and interest, in the United
States and throughout the world, in, to and under said improvements and inventions and
all patents, patent applications, patent rights, and inventor's certificates thereof, therefor,
and therein, including without limitation said application for patent in the United States,
all divisions and continuations thereof, all patents which may be granted thereon, all
reissues and extensions thereof, all right to sue for past infringement thereunder, all
patents which may be granted for said improvements and inventions by states or nations
other than the United States, or by other authority, entity, or organization, and all
applications therefor, have been and are hereby sold, assigned, transferred, and
delivered unto assignee, its successors and assigns; and it is covenanted and agreed by
the undersigned, and for executors, administrators, and legal representatives of the
undersigned, that at assignee's request any and all applications, affidavits, assignments,
and other instruments will be made, executed, and delivered as may be necessary, or
desirable to secure for or vest in assignee, its successors or assigns, any improvement,
inventions, right, title, interest, application, patent, patent right or other right or property
covered by this assignment, and the United States Commissioner of Patents and
Trademarks is hereby requested and authorized to issue any and all United States
patents granted on any of said applications to assignee as owner of the entire right, title,
and interest in, to, and under the same, and appropriately empowered officials of foreign
countries are hereby authorized to issue any letters patent granted on any of said
applications to assignee as owner of the entire right, title and interest in, to, and under
the same.

The undersigned hereby grants the firm of Rankin, Hill & Clark LLP the power to
insert on this assignment any identification that may be necessary or desirable in order
to comply with the rules of the United States Patent and Trademark Office for recordation
of this document.
