ASSIGNMENT

WHEREAS, I, Daniel E. Martin

residing at College Station, TX respectively

having invented an improvement AERIAL ELECTROSTATIC SYSTEM FOR WEATHER
MODIFICATION

for which I have made application for Letters Patent of the United States, identified as
Department of Agriculture Case No 0036.18;

WHEREAS, the WORLDWIDE patent rights in my share of said invention are assignable
to the United States by virtue of my having made the invention while in the employ of the United
States Department of Agriculture and/or under applicable law and regulations of the United
States Department of Agriculture which render the patent rights so assignable as well as such
rights in any divisions, continuations in whole or part, or substitute applications; and

WHEREAS, the United States, as represented by the Secretary of Agriculture, is
desirous of acquiring an assignment of said patent rights;

NOW, THEREFORE, in consideration of these premises, I hereby assign said
WORLDWIDE patent rights to the United States of America, as represented by the Secretary of
Agriculture.

I agree to make, execute, and deliver to the Secretary of Agriculture all
documents in such usual or other forms, terms, or contents as may be required by the
Secretary for the prosecution of all applications arising from this invention, as well as
after issuance of Letters Patent, and for the settlement of any derivation proceeding,
post-grant review, or other action or proceeding, these applications and Letters Patent
may encounter. I will aid the United States of America in every way to protect the
invention as requested by the Secretary, except that any expenses arising through such
assistance will be borne, through proper arrangement, by the United States of America;
and

I warrant that there are no outstanding assignments, grants, liens,
encumbrances, or agreements, oral, written, or implied, that will impair the interests
conveyed in this assignment at the time we execute this instrument.
