ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I the undersigned Benjamin KANDER (hereinafter referred to as "ASSIGNOR"):

Hereby sell, assign and transfer to Welly, LLC (hereinafter referred to as "ASSIGNEE"), a corporation of New York, having a place of business at 2 Horation Street, Apt. 35, New York, New York, 10014, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to the invention which is disclosed in the application for United States Letters Design Patent, which has been executed by the undersigned concurrently herewith, and which is entitled

FLIP TOP CAP FOR A BEVERAGE CONTAINER

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Design Patent which have been or shall be filed in the United States and all foreign countries on said invention; and in and to all original, reissued and other patents and certificates of invention which have been or shall be issued in the United States and all foreign countries on said design;

Agree that said Assignee may apply for and receive Letters Design Patent for said invention in its own name, and that, when requested, without further consideration from or charge to, but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other design patent applications on said invention; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said

Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said invention and for vesting title to said invention and all applications for patents and all patents on said design, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
