NUNC PRO TUNC ASSIGNMENT

WHEREAS, new and useful improvements and inventions have been made in

AUTOMATIC PUNCHING MACHINE FOR MAKING BRUSHES AND
METHOD FOR AUTOMATICALLY MAKING BRUSHES BY PUNCHING

and are the subject of United States Patent No. 9,486,067 issued November 8, 2016.

WHEREAS, NUOVA BORGHI S.P.A., a joint stock company of Italy, having an address at Via C. Colombo 12, Fraz. CAVAZZONA, 41013 CASTELFRANCO EMILIA (MO), ITALY, hereinafter referred to as "assignee", is desirous of acquiring all right, title, and interest throughout the world in, to, and under said improvements and inventions and all patent rights therefore.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, effective as of May 20, 2014 *nunc pro tunc*, all of the undersigned's right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation the above-referenced U.S. patent, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, all applications therefore, and all rights of priority resulting from the filing of any said applications, have been and are sold, assigned, transferred, and delivered unto assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the Director of the United States Patent and Trademark Office is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grants the firm of Pearne & Gordon LLP the power to insert on this assignment any further identification which may be necessary or useful in order to facilitate the recordation of this document.

IN WITNESS WHEREOF, this assignment has been executed below by the undersigned:
