ASSIGNMENT

ASSIGNORS: Keith D. Crawford  
Baldev Vasir  
John Garvey

ASSIGNEE: TACS Bio, Inc.  
6 Mount Drive  
Perrineville, NY 08535

STATE OF INCORPORATION  
OF ASSIGNEE: Delaware

INVENTION: Adult stem cell compositions and methods of  
identification and isolation

APPLICATION SERIAL NUMBER: 16/229,942

FILING DATE: December 21, 2018

ATTORNEY DOCKET: 35649-001

Assignors are co-inventors of the above invention (the "Invention") described in a U.S. utility patent application bearing U.S. Patent and Trademark Office serial number and filing date as indicated above (the "Application"), and having as a title the above name for the Invention.

For valuable consideration, receipt of which is acknowledged, each Assignor hereby assigns to Assignee (which term shall include Assignee's successors and assigns), all of such Assignor's rights, title and interest in the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents and any reissues and extensions thereof, which issue in any country upon any patent applications, which correspond with or claim priority of any of the following: the Application, any divisional, continuation-in-whole, or substitute United States application, or any PCT international application which is based on the Application; or any continuation-in-part United States application (including divisionals, continuations-in-whole or -in-part, and substitutions thereof or therefore) and any divisional application in any country based in-part on the above described applications.

Each Assignor further agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefore, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Each Assignor further agrees that such Assignor will, in anticipation of potential commercialization of the invention, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.

Each Assignor hereby authorizes Assignee's attorney to correct any typographical errors on this form, and to complete this form by the addition of the application number(s), application filing date(s), and attorney docket numbers(s), if necessary.
